## The News at St. Michael's—June 2022

**Feasts & Church Services:** Having celebrated the Bright Resurrection of Christ, we've been enjoying the post-Paschal season and preparing for the upcoming Feasts of Ascension and Pentecost. The Moleben Services have resumed on Wednesday evenings as we ask for much-needed help from the Archangel Michael with our new property and church development.

**New Catechumens:** *Brian, Mary Catherine, Julian and Neil Ballew* were blessed as Catechumens following the Divine Liturgy on May 22nd. May God grant them many years!

**Spiritual Education:** The Inquirer and Catechumen classes have continued on Saturday afternoons.

**Choir Leaders:** The Choir Leaders met on Monday, May 16<sup>th</sup> to work on organizing a new service schedule and to share resources for the Divine Services preparation.

**New Property Update:** The utilities work has been progressing in between rain showers and other than some rock that will need to be broken up, should be completed in the next week or two. Please pray that God will help the workers with this, just as He sent an angel to roll away the stone from Christ's tomb. As soon as the utilities are in, the paving sub-contractor can come in and do his part, with the exception of the very final layer of asphalt. That will wait until the building is built, since the extremely heavy cement trucks, etc., would ruin the freshly poured asphalt. However, once the heavy equipment has completed their work, we will do the final paving. Meanwhile, our architect team forwarded us some tentative building floor plans on May 16<sup>th</sup> and on May 24<sup>th</sup> and we sent them some revisions. We are hoping to have the completed building "blueprint" drawings in the next few weeks, at which point, we will forward those drawings to the Contractors so they can get us their estimates. We'll also forward those to the City of Madison for approval. As soon as we have chosen the best contractor, we'll then go to the bank to work out the financing. Once the plans have been approved by the City of Madison and the contractor has been engaged, we look forward to breaking ground, hopefully this summer. If you have not yet made your pledge to support the new church construction, please do so as soon as possible! See Church Treasurer *Caleb Eversole* to get a pledge form.

**Save the Date:** Baby shower for *April Mahafza* on Sunday, July 10. See *Stephanie Litter*, [stephlitter@gmail.com](mailto:stephlitter@gmail.com)

**Annual Diocesan Assembly and St. Mardarije Celebration:** will be held on Friday, July 15 through Sunday July 17. Anyone who is interested may attend the St. Mardarije Celebrations, which would be held on Saturday and Sunday. This should be seen as a Pilgrimage and an opportunity to venerate the relics of an incorrupt saint. However, concerning the Annual Assembly itself, delegates from St. Michael's are usually limited to 2 or 3 with current church board members being given first priority. If you are interested in attending the Assembly as a delegate, please let Fr. Gregory know.

## **The Apostle's Fast**

Following the Feast of Pentecost, the Holy Church grants us a 'fast-free' week as we celebrate the joy of receiving the Holy Spirit. One week from the Monday after Pentecost, we begin the Apostle's Fast, one of the four fasting seasons of the year. The following are some excerpts about the Apostle's Fast:\*

The fast of the Holy Apostles is very ancient, dating back to the first centuries of Christianity. In his letter to Emperor Constance, St. Athanasius the Great (†373) writes: *"During the week following Pentecost, the people who observed the fast went out to the cemetery to pray."*

*"The Lord so ordained it,"* says St. Ambrose (†397), *"that as we have participated in his sufferings during the Forty Days, so we should also rejoice in his Resurrection during the season of Pentecost. We do not fast during the season of Pentecost, since our Lord Himself was present amongst us during those days ... Christ's presence was like nourishing food for the Christians. So too, during Pentecost, we feed on the Lord who is present among us. On the days following his ascension into heaven, however, we again fast."*

St. Leo the Great (†461) says: *"After the long feast of Pentecost, fasting is especially necessary to purify our thoughts and render us worthy to receive the Gifts of the Holy Spirit ... Therefore, the salutary custom was established of fasting after the joyful days during which we celebrated the resurrection and ascension of our Lord, and the coming of the Holy Spirit."*

St. Symeon of Thessalonica (†1429) explains the purpose of this fast in this manner: *"The Fast of the Apostles is justly established in their honor, for through them we have received numerous benefits and for us they are exemplars and teachers of the fast ... For one week after the descent of the Holy Spirit, in accordance with the Apostolic Constitution composed by Clement, we celebrate, and then during the following week, we fast in honor of the Apostles."*

Keeping the fasts that the Holy Church has handed down to us, is a way of practicing our Orthodox Faith and demonstrating our obedience to God. It is a way to strengthen our spiritual life and help us in the ongoing struggle against the passions. In our modern times, the individual will of each person is elevated to almost 'godlike' status. Many people today take great pride in not submitting to anyone or anything, thinking that by doing whatever they want, whenever they want, this will bring them freedom, peace and happiness. However, the Lord told us that "... You shall know the Truth and the Truth shall make you free." He also instructed us to pray the "Our Father" as a model of prayer. Remember the lines "Thy will be done, in earth as it is in heaven." Our goal as followers of Christ is to do God's will, not our own will.

When we give up a little bit of our own will by observing the fasting times, it helps strengthen our ability to obey God's will through the Holy Church that He has given us. Saying 'no' to meat and dairy products puts the higher part of our will into action, when our stomach tries to push us to satisfy itself. May our Lord grant us His great mercy as we begin the season of the Apostle's Fast, that we too may be blessed to fulfill His Holy Will, just as those first Apostles and Disciples. Glory be to God!
