## NEWS AT ST. MICHAEL'S:

### The New Property

On November 30<sup>th</sup>, 2016, St. Michael's officially closed on the property at 8122 Madison Blvd.! This is a very big step in what has been a long journey and marks the beginning of a new chapter for St. Michael's Church. We can now move forward in the next steps of doing the necessary planning for the driveway and utilities and getting the necessary permits from the City of Madison, which will pave the way (no pun intended!) toward eventually building the hall and church. Please remember to make your monthly pledge payments that you agreed to at the Special Assembly Meeting in August as we will need to make our first monthly mortgage payment on December 30. Fr. Gregory will have pledge forms available that you can use to confirm your building fund pledges. Stay tuned for more information! Glory and thanks be to God Who has so graciously given us this great opportunity!

### Our November 15 Guest Speaker

Fr. Dcn. James Hughes, an ordained Deacon who serves at Holy Dormition Church in Santa Rosa, California, gave an excellent, in-depth presentation on Tuesday, November 15<sup>th</sup> at St. Michael's. As an educator and researcher, he's helped to start schools for kids, including "St. Michael's School" in Santa Rosa. Fr. James spoke about the Soul, Body and Orthodox Education. This is a perspective that is badly needed in today's world, which mostly deals only with the physical body and mind. The presentation was recorded and will be available soon for anyone who was unable to attend.

## November: Thanksgiving Smoked Turkey Fundraiser

BBQ Bob has done it again! The 3<sup>rd</sup> Annual Thanksgiving Smoked Turkey Fundraiser was held on November 19<sup>th</sup> and helped raise over \$300 towards our Building Fund. Many thanks to Bob Zarzaur and Charles Malmede for their heroic efforts which began in the wee hours of the morning and lasted all day!

## December: Nativity Scene Building Fundraiser

We are offering beautiful Outdoor Nativity Scenes for sale. They are approximately 4' tall by 4' wide (see attached picture). Purchase one for your yard. They would make great gifts for friends and family. We are selling on pre orders for \$75.

## St. Michael's Nature Club

On a clear sunny day, Saturday, Nov. 26, the St. Michael's Nature Club held its first hike at Monte Sano State Park. The fall colors were beautiful and a good time was had by all. Marc Couch, a former Boy Scout Troop Leader, gave a short talk about the outdoors and Fr. Gregory gave a short talk about God and nature. At one point we crossed over a bridge and there was an enormous amount of leaves and Sophia Harwell remarked, "Look, it's a river of leaves!" There were some great views from some of the rock outcroppings along the ridge and the kids learned how to find the trail markers. Everyone is looking forward to the next one and in the future.

### ***St. Herman of Alaska***

On December 25<sup>th</sup>, we will celebrate the Divine Liturgy in honor of St. Herman, the first Orthodox Saint of America. He was born near Moscow around 1756 to a pious merchant family, and entered monastic life at the age of sixteen, at the Trinity-St. Sergius Lavra near St Petersburg. While there, he was attacked by a cancer of the face, but the Mother of God appeared to him and healed him completely. He was tonsured a monk in 1783 with the name of Herman (a form of Germanos), and was received into Valaam Monastery on Lake Ladoga. After some time, he was allowed to withdraw to the life of a hermit in the forest, and only came to the monastery for feast days.

In 1793, in response to a request by the Russian-American Commercial Company for missionaries to Alaska, Valaam Monastery was told to select a company of its best monks to travel to America. Eight were chosen, of whom the hermit Herman was one. The company crossed all of Siberia and, almost a year later, first saw Kodiak Island in September 1794. The missionaries set about their work, and found the native Aleut people so receptive to the Gospel of Christ that in the first year about 7,000 were baptized and 1,500 marriages performed.

Eventually, St. Herman settled on Spruce Island near Kodiak, living the life of a hermit in a small cabin in the forest. He spent his days in prayer and mission work, and denied himself every fleshly comfort: he fasted often and lived on a diet of blackberries, mushrooms and vegetables (in Alaska!!). Despite these privations, he founded an orphanage and a school for the natives of the island, cared for the sick in epidemics, and built a chapel where he conducted divine services attended by many. (He was not a priest, but God made up the lack in miraculous ways: at Theophany, Angels descended to bless the waters of the bay, and the Saint would use the holy water to heal the sick). Asked if he was ever lonely or dejected in his solitude, and replied: "I am not alone; God is here as everywhere, and the Angels too. There is no better company."

Saint Herman reposed in peace on Spruce Island, at the age of eighty-one, in 1836. At the moment of his departure, his face was radiant with light, and the inhabitants nearby saw a pillar of light rising above his hermitage. His last wish was to be buried on Spruce Island. When some of his well-intended disciples attempted to take his relics back to Kodiak to be buried from the church there, a storm rose up and continued unabated until they had abandoned the plan and buried him as he desired.

The life and miracles of this wonderworking saint are too numerous to include in this brief article, but St. Michael's Lending Library includes a detailed life of St. Herman in *The Little Russian Philokalia Vol. III. Holy St. Herman of Alaska*, pray to God for us!
